2. There are no hotel bank details attached but the notice says that they are. **Same attached now.**
3. There is no date by which a reservation needs to be made. **Mid of June but full payment should be done one month before arrival.**
4. If a delegate waits until one month before, can they pay in full with only one bank transfer? **Yes**
5. Can I just charge the booking on a credit/debt card or does it have to be via bank transfer? **Bank transfer only**
6. Can any delegate from any country be assured that they will obtain a Visa on arrival into Mauritius? **Yes, they will obtain three month visa on arrival.**

Dear Fred,

Kindly slot in AEI EB meeting date/time before and after Congress.

The social program cost will depend on how many Delegates will be present. Same will be finalized may be one month before the Congress.

These cost will not be included in the hotel package, payment should be paid individually to me, Sanjeev Coylas during the congress, as I have already contacted company outside the hotel.

Transfer Airport/Hotel/Airport will be organised. Cost will be bare by delegates and same will be communicated at a later stage.

Brgds

G.Coylas
